

# Contact Colorado Legal Services

## How does Colorado Legal Services work?

CLS is a non-profit agency that provides free, high-quality civil legal services to eligible low-income Coloradans and seniors. **Please note: we have an intake process that all applicants must complete. We aren't a hotline, which means that we must screen all applicants before help can be provided.**

Also, please understand that, unlike criminal cases, there is no right to an attorney in civil cases for low-income Coloradans. With the resources we have, we do our best every day to provide legal assistance to as many eligible applicants as we can. Thank you for your understanding!
